Awakening is recognizing the signs and acting with faith in the face of adversity.

Thoughts behind the song

# THE END IS NIGH

Have you ever wondered whether the world truly understands what is coming—or if most people are sleepwalking toward a reality they refuse to face?

The world builds, plans, fights, invents, and entertains itself into exhaustion, yet beneath all our busy living lies a truth we cannot escape: this world is rushing toward its final hour. Nations rise in turmoil, disasters multiply, deception spreads like wildfire, and spiritual confusion fills every corner of society. The world promises security, progress, and control, but none of it halts the march of prophecy. Even as dangers increase and hope grows thin, God continues to call every soul to wake up, watch, and stand firm before the final events sweep across the earth.

The End Is Nigh steps into that urgency with a bold, prophetic message rooted in Scripture. The song pulls back the veil on deception—spiritualism, false signs, counterfeit miracles, and the rise of global delusion—and lifts the listener's eyes to the nearness of Christ's return. It is a warning, a call, and a plea: open your eyes, discern the times, and hold fast to the Word before probation closes forever. In the end, only one question remains: Are you ready to stand when the last trumpet sounds?

## Lyrics

[Chorus]

Can you hear it?

Can you see it?

Can you feel it?

Oh, the end is nigh

The end is nigh

The trumpet is sounding up in the sky

[Verse 1]

Can you feel the tension all around?

The dangers of war have started to sound

Mother nature is mad as she can be

And now drones are following me

The fire falls from heaven have begun

There's people in the city with nowhere to run

With no food to feed the starving sheep

The dead are being piled in a huge heap

[Chorus]

Can you hear it?

Can you see it?

Can you feel it?

The nations are aware of the plot

But the devil has them tied in a knot

Angels are appearing as enlightened guides to man

As Satan carries out his master plan

Aliens appear announcing to be friends

They are supernatural masters of pretend

Deception has been happening for so long

That nobody seems to know what's going on

# THE END IS NIGH

[Chorus]

Can you hear it?

Can you see it?

Can you feel it?

[Bridge]

The end is here

Be quiet heart, can you hear?

[Verse 2]

The great people of the past appear

The dead give a message they want us to hear

There's a fog coming in overhead today

Oh no, it's another plane full of deadly spray

Big pharma has the solution to all our trouble

Now the government has us all in a struggle

The church steps in to save the day

Meanwhile the wealthy continue to count their pay.

[Chorus]

Can you hear it?

Can you see it?

Can you feel it?

[Verse 3]

The plague seems to bring some relief

But the saints still suffer such a frightful grief

They call the warning of the people's sin

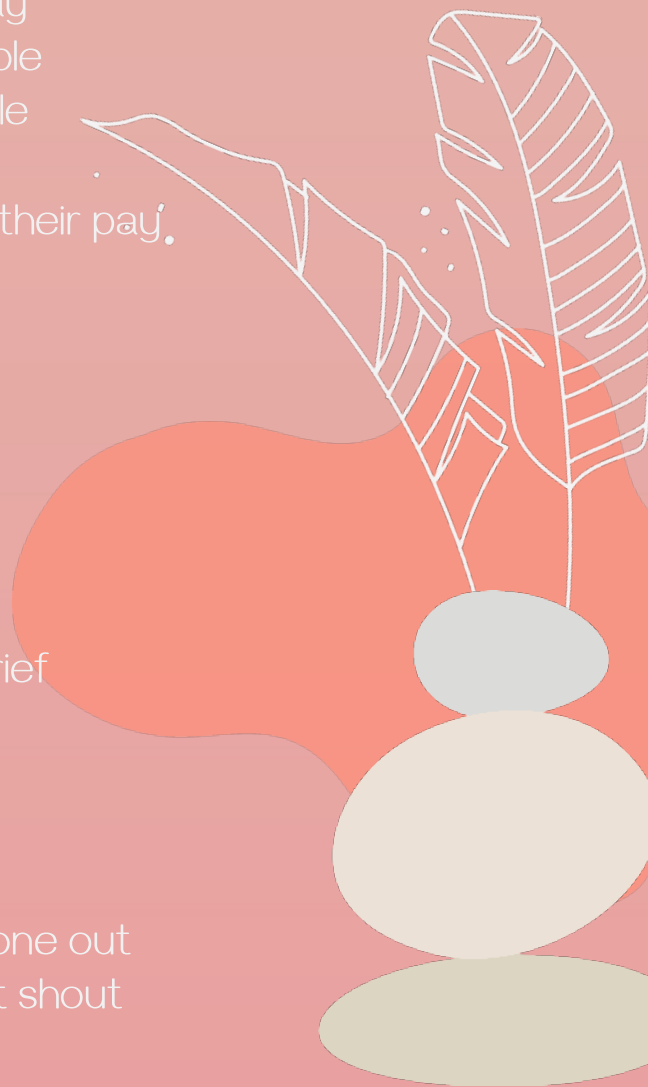

But the infidel smile back with a silly grin

God's judgment has come to an end

Jesus doesn't call the wicked as friend

The last salvation warning message has gone out

Look to the heavens, hear the Lord's great shout

# THE END IS NIGH

[Chorus]

Oh, the end is nigh  
The end is nigh  
The trumpet is sounding up in the sky  
Oh, the end is here  
The end is near  
Be quiet heart, can you hear?

[Outro]

Oh, the end is nigh  
Signs and wonders have been missed somehow  
Oh no, it's a way past time for participation  
The brightness of Jesus coming brings incineration  
The earth suffers in a violent quake  
Man's fear has him fixed as a stake  
The cities are all falling to the ground  
They burn away and no wicked can be found  
Look up as your reward draws near  
Hear the sound of thunder's here  
It's too late to try and change your mind  
Probation just closed up, face the fire  
The end is nigh, we're all gonna die

[Outro 2]

Can you hear it?  
Can you see it?  
Can you feel it?

## Reflection

This song confronts the listener with the raw reality of end-time prophecy. It exposes the spiritualistic deceptions, political turmoil, manufactured crises, and false signs that will sweep the world just before Christ returns. It echoes the warnings of Revelation and the teachings of Christ in Matthew 24: deception, confusion, counterfeit miracles, and global delusion. The End Is Nigh is not fear-mongering—it is a trumpet call to awaken sleeping souls before the final door of mercy closes. It urges the listener to watch, pray, discern, and hold tightly to the Word of God when the world is captivated by lies and wonders.

## Final Encouragement

1 Peter 4:7 — “But the end of all things is at hand: be ye therefore sober, and watch unto prayer.”

May this song stir you to vigilance, deepen your discernment, and strengthen your resolve to stand faithful in the final hour. The signs are unfolding, prophecy is fulfilling, and Jesus is soon to come. Seek Him while mercy still lingers, cling to His Word, and hold fast the hope of His appearing—for those who trust in Him, the end is not destruction, but deliverance.
